

# Creating the School Family

As the various classroom structures are presented, record your plans for implementing these systems within your classroom.

Classroom Structures	Notes
<input type="checkbox"/> <b>Safe Place</b> <b>Purpose:</b> To provide a quiet place and the tools for children to self-regulate.	
<input type="checkbox"/> <b>Job Board with Meaningful Jobs</b> <b>Purpose:</b> To provide children with the opportunity to be significant contributors to the School Family.	
<input type="checkbox"/> <b>Friends and Family Board</b> <b>Purpose:</b> To display pictures of the School Family and extended family. This creates security and is a visual reminder of interconnection.	
<input type="checkbox"/> <b>Ways to be Helpful</b> <b>Purpose:</b> To concretely illustrate expected behaviors in the School Family.	
<input type="checkbox"/> <b>Picture Rule Cards</b> <b>Purpose:</b> To provide young children with visual images of acceptable choices.	
<input type="checkbox"/> <b>Time Machine</b> <b>Purpose:</b> To provide a concrete way of turning a hurtful behavioral exchange into a helpful one.	
<input type="checkbox"/> <b>Celebrations</b> <b>Purpose:</b> To celebrate effort and achievements publicly.	
<input type="checkbox"/> <b>Circle / Class Meeting</b> <b>Purpose:</b> To provide a place or time for children and adults to celebrate, connect and solve problems.	
<input type="checkbox"/> <b>We Care Center</b> <b>Purpose:</b> To provide children with the time and materials to express their appreciation, concern and caring for one another.
