

Educational Products for Successful Phase 3 Implementation

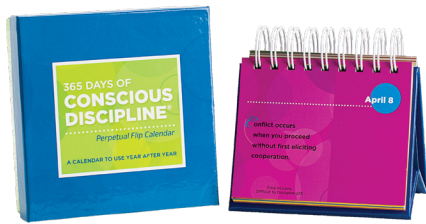

Each school has a unique implementation path. Here are some ideas for Phase 3 of implementation.

Recommended
book study

Managing Emotional Mayhem

Managing Emotional Mayhem lays a conceptual foundation, explores limiting beliefs, presents new adult skills and teaches us how to coach children in a transformative self-regulation process. **All Ages.**

365 Days of Conscious Discipline (Perpetual flip calendar)

365 Days of Conscious Discipline is a boxed, full color, flip-style perpetual calendar perfect for gift-giving. Entries are organized by date so you can start today and enjoy it year after year! **All Ages.**

Attend a Live Event

The Institute and Advanced Institute provide unparalleled learning and networking opportunities for those in Phase 3 of implementation. Connect, deepen your understanding and share your successes while learning from experienced practitioners and the successes of others.
