Sad, Bad, Terrible Day

GET FUNKY

Lyrics: Don and Laurie Monopoli - The Learning Station

Chorus: It's a sad, bad, terrible day. Things just aren't going my way.

It's a sad, bad, terrible day. Will it end or will it stay?

I fell down and scraped my knee. I made a hole in my new blue jeans.

I got a patch and glue and covered it up uh, oh, I got my fingers stuck.

Refrain: I'll brush it off from my head to my toes,
brush, brush and wiggle my nose.

I'll laugh it off ha, ha, and ho, ho, ho,

I'm feeling better now don't you know.

Chorus: It's a sad, bad, terrible day. Things just aren't going my way.

It's a sad, bad, terrible day. Will it end or will it stay?

I sat down on my favorite chair. I didn't see what was sleeping there.

I heard a snarl, a scream and felt a scratch, uh, oh. I sat on my cat.

Refrain/Chorus: I'll brush it off from my head to my toes,
brush, brush and wiggle my nose.

I'll laugh it off ha, ha, and ho, ho, ho,
I'm feeling better now don't you know. But it's a sad, bad, terrible day.

Things just aren't going my way. It's a sad, bad, terrible day.

Will it end or will it stay?

Suppertime, I can't wait to eat. I saw the liver and a plate of beets.

"No thanks", I said, "I don't like this food."

I got grounded for being so rude.

Refrain/Chorus (2X): I'll brush it off from my head to my toes,
brush, brush and wiggle my nose.

I'll laugh it off ha, ha, and ho, ho, ho,
I'm feeling better now don't you know. But it's a sad, bad, terrible day.

Things just aren't going my way. It's a sad, bad, terrible day.

Will it end or will it stay?

I'll brush it off from my head to my toes,
brush, and brush and wiggle my nose.

I'll laugh it off ha, ha, and ho, ho, ho,
I'm feeling better now don't you know. But it's a sad, bad, terrible day.

Things just aren't going my way. It's a sad, bad, terrible day.

Have you ever seen a lassie, a lassie, a lassie,

Now laddies and lassies together, and let the dancing begin
