

DR. BECKY BAILEY

*Founder, Conscious Discipline
Oviedo, Florida*

Who She Is: Dr. Becky Bailey is an award-winning author, renowned educator and internationally recognized expert in childhood education and developmental psychology. She is the creator of Conscious Discipline which has impacted an estimated 15.8 million children while inspiring and training more than 3 million educators and caregivers.

Putting It Down On Paper: Dr. Bailey has authored 21 books related to self-regulation, social-emotional learning and classroom management plus 14 children's books that model Conscious Discipline for children and adults. She has also developed curriculum and taught at the college and graduate level.

Take It From Them: The U.S. Substance Abuse and Mental Health Administration's (SAMHSA's) National Registry of Evidence-based Programs and Practices (NREPP), which promotes the adoption of scientifically established behavioral health interventions, has recognized and endorsed Conscious Discipline as effective for improving social functioning and competence. Additionally, Conscious Discipline received high ratings in 8 out of 10 categories in a Wallace Foundation study published by the Harvard Graduate School of Education.

Putting It Into Perspective: With over 35 years of experience working with the most difficult children, Dr. Bailey deeply believes we must transform the lives of adults first and children second. Conscious Discipline is dedicated to creating positive, brain-smart environments for children, families, schools and businesses.
